

COST BREAKOUT GUIDE

Whether you're a beginner or a seasoned pro, it's important to check with local league administrators for information on decorating regulations.

Baseball

There's a reason why they call this sport America's Pastime! From little league and school teams to adult recreational leagues, nearly 5 million kids and adults are playing baseball, and they all need jerseys.

i DID YOU KNOW It didn't become standard to wear a number on your baseball jersey until the mid-1930s? This is nearly 60 years after the creation of the National League and 30 years after the American League!
